

# SOUTHERN CALIFORNIA QCA Workshop

HOSTED BY THE UNIVERSITY OF CALIFORNIA, IRVINE

*Organized by Charles Ragin and Peer Fiss*

## March 28-March 30, 2019

10am-4pm each day

The goal of this workshop is to provide a ground-up introduction to Qualitative Comparative Analysis (QCA) and fuzzy sets. Participants will get intensive instruction and hands-on experience with the fsQCA software package and on completion should be prepared to design and execute research projects using the set-theoretic approach.

Fee: **\$375** for faculty, **\$175** for doctoral students
